Re: Administrative Order on Consent Closure
Docket No. SDWA-08-2004-0003
PWS ID #083890015

Dear Mr. Breitzman:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), Docket No. SDWA-08-2004-0003, originally issued October 14, 2003, to the Bureau of Reclamation, owner, of the Four Bears Public Water System located on the Fort Berthold Indian Reservation, North Dakota. This decision is based upon EPA's determination that the system has fulfilled the requirements of the Order.

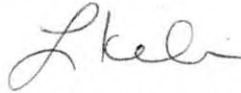

Please be aware that the Bureau of Reclamation is required to comply with the National Primary Drinking Water Regulations (NPDWRs), 40 C.F.R. Part 141. Violation of the NPDWRs or an administrative order may subject the Bureau of Reclamation to a court-imposed injunction and penalties of up to \$32,500 per day of violation.
